

Bring a Friend to LKA!!!!

Monday, January 29th thru Saturday, February 3rd 2018

Legacy Karate Academy is hosting another bring a friend to karate week. Each student may bring as many friends as they like. Each friend should come dressed in loose fitting clothing (Sweats and a tee shirt are a good idea). Friends will get an opportunity to learn some basics, play some games, win some prizes and have lots of fun.

A \$10.00 per friend cost will **apply for the entire week** at the Royersford location. This fee is to be paid prior to the “Bring a Friend Week” class. This is a nominal fee that the friend pays to have some fun and learn something new, fun and exciting. Feel free to forward this to any friend that you would like to attend. A link to this flyer and permission slip will also be posted on the home page of the gym website at www.Legacykarateacademy.com.

Any friend that signs up for lessons after this friend week can take advantage of any of Legacy’s current specials and all registration fees will be waived.

Please contact Master Versland with any questions or concerns regarding this event. You can reach Master Versland at the gym at 610-792-9091 or at masterversland@aol.com.

Thank You,
Master Eric Versland

I give my child permission to participate in Legacy Karate’s Bring a Friend week.
